Facebook	https://www.facebook.com/freshwaterhabitatstrust	
Youtube	https://www.youtube.com/channel/UCnVM2suRZSXH-6OmP4D6X0Q	

Stakeholder type	Stakeholder name	Stakeholder website	Country	Operational area	Partner proposing	Ponderful contact person (if known)
Supranational bodies	EU H2020		EU	European Union and wider	All	
National and State Government departments	Department of Environment, Food and Rural Affairs (England)		UK	England	FHT	
	Scottish Government Environment and Forestry Directorate		UK	Scotland	FHT	
	Northern Ireland Department of Agriculture, Environment and Rural Affairs		UK	Northern Ireland	FHT	
Statutory bodies	Environment Agency		UK	England	FHT	
	Scottish Environment Protection Agency (SEPA)		UK	Scotland	FHT	
	Natural Resources Wales		UK	Wales	FHT	
	Northern Ireland Environment Agency (NIEA)		UK	Northern Ireland	FHT	
	NatureScot: Scotland's Nature Agency		UK	Scotland	FHT	
	Natural England		UK	England	FHT	
	Forestry Commission		UK	England	FHT	
	Forestry and Land Scotland		UK	Scotland	FHT	
	OFWAT (Office of Water Regulation)		UK	England	FHT	
	Health & Safety Executive (regulates pesticides)		UK	England	FHT	
	Climate Change Committee		UK	UK	FHT	
	Crofting Commission (Scotland)		UK	Scotland	FHT	
Universities and Research Institutes (almost all Universities have some water specialists; in these examples we have noted a few with specialist water centres)	Examples include:					
	Centre for Ecology and Hydrology		UK		FHT	
	water@leeds (University of Leeds)		UK		FHT	
	Oxford Water Network (OWN) (Oxford University)		UK		FHT	
	CREW: Scotland's Centre of Expertise for Waters		UK		FHT	
Scientific societies	Freshwater Biological Association	www.fba.org.uk	UK		FHT	
Schools and other educators	Schools and educators are a potential audience for our work because many provide the first contact that children and young people have with ideas that perpetuate the Downing Saliency Error		UK		FHT	
Local Authorities and Council	In the UK all local authorities (there are c.200) are stakeholder for ponds because they manage the planning system. Other quasi-planning authorities include:		UK		FHT	
	National Park Authorities		UK		FHT	
State and private water companies	Areas of Outstanding Natural Beauty		UK	England	FHT	
	England has 34 private water companies		UK	England	FHT	
	Welsh Water/Dwr Cymru (public body)		UK	Wales	FHT	
	Scottish Water (public body)		UK	Scotland	FHT	
	Northern Ireland Water (public body)		UK	Northern Ireland	FHT	
Environmental and engineering consultants	Examples include:					
	CIEEM: Chartered Institute of Ecology and Environmental Management		UK		FHT	
	CIWEM: The Chartered Institution of Water and Environmental Management		UK		FHT	

Deliverable 5.3. Initial database of stakeholders and end users

Facebook	https://www.facebook.com/freshwaterhabitatstrust	
Youtube	https://www.youtube.com/channel/UCnVM2suRZSXH-6OmP4D6X0Q	

Stakeholder type	Stakeholder name	Stakeholder website	Country	Operational area	Partner proposing	Ponderful contact person (if known)
Farmers and landowners	National Farmers Union (England)		UK	England	FHT	
	Country Landowner and Business Association		UK	England	FHT	
	Scottish Landowners' Federation		UK	Scotland	FHT	
Plant protection sector	Private agro-chemical companies		UK		FHT	
	Crop Protection Association		UK		FHT	
Environmental NGOs	All larger NGOs are potential stakeholders. In UK Freshwater Habitats Trust works directly with:		UK		FHT	
	National Trust (c. 5.6 million members)		UK	England, Northern Ireland, Wales	FHT	
	RSPB (c. 1 million members)		UK		FHT	
	Wildlife Trusts (C. 600,000 members)		UK		FHT	
	There are many other examples in UK including specialists such as Pesticide Action Network, British Dragonfly Society, Angling Trusts etc etc		UK		FHT
